CIRA Publications on HIV Care Continuum (2012–2016)

Dini Harsono
Assistant Director, Clinical and Health Services Research (CHSR) Core
October 26, 2016
CIRA Publications on HIV Care Continuum
July 2012 – October 2016

How?

1. PubMed alerts (Kathryn’s weekly emails)
2. EndNote library
3. Exclusion: duplicates, name ambiguity, non-HIV
4. First screening: title, keywords, abstract
5. Second screening: full-text article
CIRA Publications on HIV Care Continuum
July 2012 – October 2016

1. Core consultations & presentations
2. Joint meeting topics & expertise
3. Peer review, career consults, collaborators
4. T32 & REIDS fellows
5. Highlight & synthesize CIRA research (P30!)
Results (2012–2016)
Single entry, broadly categorized, topic overlaps found

CoC–related (583)
1. Identifying key populations & prevention (190)
2. HIV testing & diagnosis (24)
3. Linkage to and retention in care (21)
4. Antiretroviral provision and adherence, and viral suppression (110)
5. Comorbidities (238)

Areas of special interest (117)
7. Social media & technology (30)
8. Stigma & health disparities (35)
9. Community partnerships & collaborations (14)
10. Ethics, legal & policy (11)
Results (by year)
CIRA CoC–related Publications

2012 (35 articles)
Review period: July–December 2012

Comorbidities
ARV provision/adherence,…
Linkage to & retention in…
Testing & diagnosis
Identification & prevention

2013 (148 articles)

2014 (144 articles)

2015 (194 articles)

2016 (164 articles)
Review period: January–October 2016
2015–2016 Updates (211 Articles)
Review period: September 2015–October 2016

- Identifying key populations and preventing new infections (n=61)
- HIV testing, diagnosis, and new infections identification (n=8)
- Linkage to and retention in care (n=2)
- Antiretroviral provision and adherence, and viral load suppression (n=38)
- Comorbidities (including cancer, mental health, substance use, partner violence) (n=64)
- PrEP – Pre-Exposure Prophylaxis (n=9)
- Social media and technology (n=10)
- Stigma and health disparities (n=12)
- Community partnerships and collaborations (n=5)
- Ethics, legal and policy (n=2)
