

CIRA affiliates are joining researchers, policymakers, healthcare professionals, community partners, advocates, and friends in Munich, Germany and virtually at the [25th International AIDS Conference](#) taking place on July 22-26, 2024. This biennial conference will convene thousands of people living with, affected by and working on HIV to share knowledge, best practices and lessons learnt from the HIV response over the past 40 years, as well as from the responses to COVID-19, mpox and other public health threats.

The following list contains information on sessions and poster presentations by CIRA affiliates, with links to abstracts and further details. CIRA-affiliated presenters are underlined.

Events are scheduled in Central European Summer Time (UTC+2, EDT+6). To access the complete conference schedule, visit the [AIDS 2024 Conference Program](#).
