

CIRA affiliates are joining thousands of HIV professionals in Brisbane, Australia and virtually at the [12<sup>th</sup> IAS Conference on HIV Science](#) taking place on July 23-26, 2023. This biennial conference presents the critical advances in basic, clinical, and operational HIV research that move science into policy and practice.

The following list contains information on sessions and poster presentations by CIRA affiliates, with links to abstracts and further details. CIRA-affiliated presenters are underlined.

Events are scheduled in Australian Eastern Standard Time (UTC+10). To access the complete conference schedule, visit the [IAS 2023 Conference Program](#).
